

SPORTS FUNDING 2018/19

The Education Funding Agency provides additional funding to each school to improve provision of physical education (PE) and sport in primary schools. This funding, provided jointly by the Departments for Education, Health and Culture, Media and Sport - will be allocated to primary school headteachers. This funding is ring-fenced and therefore can only be spent on provision of PE and sport in schools

Schools must spend the additional funding on improving their provision of PE and sport, but they will have the freedom to choose how they do this.

Possible uses for the funding might include:

- Hiring specialist PE teachers or qualified sports coaches to work with primary teachers when teaching PE
- Supporting and engaging the least active children through new or additional Change4Life clubs
- Paying for professional development opportunities for teachers in PE and sport
- Providing cover to release primary teachers for professional development in PE and sport
- Running sport competitions, or increasing pupils' participation in the School Games
- Buying quality assured professional development modules or materials for PE and sport
- Providing places for pupils on after school sports clubs and holiday clubs
- Pooling the additional funding with that of other local schools.

Impact Analysis

We will measure impact in the following ways:

- Welfare /health statistics supplied by LA nurse – obesity league table
- Participation of pupil in Sports related after school clubs
- Skills performance and physical development of all pupils
- Participation in team sports events.

- Academic performance (concentration levels and engagement)
