Letter to parents – Update re Government Guidance for September.

Tuesday 7th July 2020

Dear parents/carers,

On Thursday July 2nd, the Government issued its guidance on how schools will operate when the new school year starts in September.

We are currently reviewing all of the detailed information in the guidance and I will be in touch next week to share with you an update on our plans for the safe return to school for all students in September.

It has been wonderful to have students from Nursery/Reception and Years 1, 5 and 6 back in school, and we are really looking forward to seeing everyone when the new school year starts. Until the end of this term on Friday 17th July, school will continue to be open every day for these pupils.

For children of key workers and vulnerable pupils, we will be open until Tuesday 21st July.

We are currently working on plans for those pupils in Year 2, Year 3 and Year 4 to return to school for transition time on Monday 20th July and Tuesday 21st July only. I will be sending further information to parents tomorrow which will include start and end times and information about pods.

Please continue to encourage your children who have not yet returned to school with their home learning.

Thank you for your ongoing support.

Kind regards

**Daniela Grasso
