### **Vision and Values**

Ark Priory Primary Academy is an inclusive school where all students are made to feel welcome and valued. Our Academy vision sets out to ensure that all students enjoy high quality learning experiences through which they are able to achieve their full potential irrelevant of their needs. Our inclusive ethos aims to encourage all students to be actively involved in their own learning. This involves valuing all students and staff equally and reducing barriers to learning and participation. Ark Priory Primary Academy aims to provide a rigorous and transformational education that prepares students for success at university and beyond.

### **Describe the Diverse Needs of the Community**

Ark Priory Primary Academy admitted its first two reception classes (60 pupils) in September 2013. It is a mixed, non-denominational; two form entry primary school for local children in Acton Town, Ealing. It offers a great education in a friendly neighbourhood school with the highest possible aspirations for its pupils. We place great emphasis of teaching our pupils social norms and nurturing a sense of community belonging. A clearly defined set of values, shared by all stakeholders, permeates all aspects of our work.

The academy is run by Ark, an educational charity which runs a network of academies in London, Birmingham, Portsmouth and Hastings. Ark academies are happy, well-run schools characterised by high ambitions, high achievement and exemplary behaviour.

## **2 PURPOSE**

---

Ark Priory Academy is committed to providing a fully accessible environment which values and includes all pupils, staff, parents and visitors regardless of their education, physical, sensory, social, spiritual, emotional and cultural needs. We are committed to challenging negative attitudes about disability and accessibility and to developing a culture of awareness, tolerance and inclusion. We aim, as far as possible, to remove those barriers which make it hard for a person who has difficulties with:

- ✓ Physical Co – ordination
- ✓ Mobility
- ✓ Continence
- ✓ Ability to lift, carry or move everyday objects
- ✓ Speech, Hearing or eyesight
- ✓ Memory or ability to learn, concentrate or understand
- ✓ Perceiving risk or physical danger

All pupils should be able to take part in the day to day life our the school and benefit from the learning experiences we provide

Overall, the Accessibility Plan will contain relevant actions to:

- Improve access to the physical environment of the school, adding specialist facilities as necessary. This covers improvements to the physical environment of the school and physical aids to access education.
- Increase access to the curriculum for pupils with a disability, expanding the curriculum as necessary to ensure that pupils with a disability are as equally prepared for life as are the able-bodied pupils; (If the school fails to do this they are in breach of the Equality Act). This covers teaching and learning and the wider curriculum of the school such as participation in after-school clubs, leisure and cultural activities or school visits. It also covers the provision of specialist aids and equipment, which may assist these pupils in accessing the curriculum and the school day. For example Ark Priory's building has a lift to help students/staff with reduced mobility.
- Improve the delivery of written information to pupils, staff, parents and visitors with disabilities. Examples might include hand-outs, timetables, textbooks and information about the school and school events. The information should be made available in various preferred formats within a reasonable time frame.

An Action Plans is attached in section 5 which relate to the three key aspects of accessibility. This plans will be reviewed and adjusted on an annual basis and or when appropriate. A new Accessibility Plan will be drawn up every three years.

We acknowledge that it is necessary to raise awareness of issues related to accessibility and to provide appropriate training for staff and governors in the matter of disability discrimination.

This Accessibility Plan should be read in conjunction with the following policies, strategies and documents:

- Curriculum
- Teaching and Learning
- Equal Opportunities Policy
- Health & Safety Policy
- Inclusion Policy
- Staff Professional Development Policy
- Behaviour Management Policy
- Emergency Evacuation Procedures
- School Improvement Plan
- School Prospectus

## 4 SUMMARY

---

We will:

- Continue to review the environment of the school, the way we plan, prepare and deliver the curriculum, the information we provide for pupils so that we can improve the access for both individuals and groups
- Provide an atmosphere where all staff and pupils feel safe and valued
- We will achieve this by promoting understanding of disability and work to show positive models of people with a disability. Our focus will be to avoid stereotypes and use language which emphasises the person rather than the disability
- Review those parts of our extra-curricular activities which may have limited access for pupils with a disability and to provide a solution to enable us to provide learning experiences which promote similar development of knowledge and understanding
