## Introduction

The Equality Act 2010 places a duty on schools to consider equality matters when making decisions that affect staff and pupils with the following protected characteristics;

- Race
- Disability
- Sex (gender)
- Religion or belief
- Sexual orientation
- Pregnancy and maternity
- Gender reassignment
- Age\*
- Marriage and civil partnership\*

When making decisions and developing policies, the school must have due regard to the need to:

- Eliminate discrimination, harassment, victimisation and other conduct that is prohibited by the Equality Act 2010.
- Advance equality of opportunity between people who share a protected characteristic and people who do not share it.
- Foster good relations across all protected characteristics and between people who share a protected characteristic and people who do not share it.

Having due regard to the need to advance equality of opportunity is further defined as the need to:

- Remove or minimise disadvantages.
- Take steps to meet different needs.
- Encourage participation when it is disproportionately low.

This Equality Policy sets out the Academy's approach to promoting equality and diversity as part of our Public Sector Equality Duty. It also includes our Equality Objectives and the action plan and review process in place to meet them

\*Age is not a protected characteristic in relation to education or the provision of services, it is included however in relation to staff. Marriage and civil partnership are only protected characteristics in relation to employment

## Our approach to promoting equality

At Ark Priory we welcome our public duty under the Equality Act. We pride ourselves on the diversity of people who make up our Academy community; and we value the varied contribution that everyone can make to our learning. This is reflected in our curriculum, admissions policy, pupil outcomes data and recruitment practice.

We are committed to ensuring that no member of the Academy community or any other person through their contact with the Academy receives less favourable treatment on any grounds which cannot be shown to be justified. This covers race, colour, nationality, ethnic or national origin, religion or belief, gender, marital status, responsibility for children or other dependants, disability, sexual orientation, gender reassignment, age, trade union or political activities and socioeconomic background. The principles of this policy apply to all members of the extended Academy community. We will confront and discuss racist and sexist language or conduct; and through the positive

enforcement of our Behaviour Policy we will do our best to ensure that all individuals in the Academy, including visitors, feel safe and are treated with consideration when they are amongst us.

We give careful consideration to equality issues in everything that we do and have set out our key equality information and objectives in sections 8 & 10. These are actively reviewed and inform all policies and decisions in the Academy.

Through implementation of the Equality Policy we aim to eliminate unlawful discrimination and harassment; promote equality of opportunity; and promote good relations and positive attitudes between people of diverse backgrounds in all our activities.

## PUPIL attainment

We have a robust system of data analysis through termly pupil progress meetings and are held accountable as a school through Ark monitoring visits and network data collaborations. This ensures that we identify any issues of underachievement for specific groups of pupils and put measures in place to close the attainment gap.

## PUPIL PARTICIPATION & ENGAGEMENT

We offer a range of after school clubs that are open to all pupils and ensure that all pupils are able to participate in off-site activities, such as swimming and school trips. Participation is reviewed termly.

We recognise that the duty to make reasonable adjustments for disabled students is anticipatory. To meet this duty we review policies, practices and procedures to ensure that we do not discriminate against disabled pupils. Examples of the specific measures we will be taking include:

- Ensuring providers of facilities for academy trips and extra-curricular activities can accommodate disabled pupils before making bookings.
- Reviewing staffing arrangements to ensure that the Academy is in a position to administer medication if required in exceptional circumstances.
- Ensuring there are special arrangements in place for disabled pupils who are taking examinations.
- Ensuring all our policies and procedures have due regard for disability equality.
- Working closely with parents/carers and disabled pupils to identify potential barriers to participation and devising reasonable adjustments to overcome them.
- Ensuring that staff are briefed on the Equality Act 2010.

We monitor levels of participation, achievement and behaviour that may indicate any barriers that have not been identified and work with specialist agencies where appropriate to support pupils with additional needs.

Please see our Academy Access Plan, Policy for Supporting Pupils with Medical Conditions and Special Educational Needs and Disabilities Policy for more information.

## Behaviour and Bullying

We have a behaviour policy that is equitable and consistent in its aims and procedure.

We have an anti-bullying policy that provides clear guidance on creating equal opportunity.

We deal promptly and effectively with all incidents and complaints of bullying and harassment that may include cyber-bullying and prejudice-based bullying related to disability or special educational need, ethnicity and race, gender, gender reassignment, pregnancy or maternity, religion and belief and sexual orientation. We keep a record of all such incidents and notify those affected of what action we have taken. We provide training to all staff in relation to dealing with bullying and harassment incidents.

Please see our behaviour and anti-bullying policies for more information.

## 7 Roles and responsibilities

All who work in the Academy have a responsibility for promoting equality and inclusion, and avoiding unfair discrimination.

## Our equality objectives

The Equality Act 2010 requires us to publish specific and measurable equality objectives. Our equality objectives are based on our analysis of data and other information. Our equality objectives focus on those areas where we have agreed to take action to improve equality and tackle disadvantages. We will regularly review the progress we are making to meet our equality objectives.

### **Equality objectives:**

**Equality Objective 1:** To ensure that the Priory Values of Exploration, Endeavour and Excellence are at the core of our undertaking for all pupils and that learning progress is indistinguishable by protected characteristic. As part of this, we will ensure that gender stereotypes are not reinforced through the curriculum, enrichment opportunities and / or learning environment of the Academy.

**Equality Objective 2:** To ensure that the following fundamental values are integral to the Academy's work and palpable in its ethos:

- Democracy
- The rule of law
- Individual liberty
- Mutual respect for and tolerance of those with different faiths and beliefs and for those without faith.

### **Reviewing progress:**

The objectives will be reviewed annually at the start of each year and an action plan agreed with all key stakeholders. This will be reviewed termly by the Principal and Inclusion Lead.

## Equality impact statement

We will do all we can to ensure that this policy does not discriminate, directly or indirectly. We shall do this through regular monitoring and evaluation of our policies. On review we shall assess and consult relevant stakeholders on the likely impact of our policies on the promotion of all aspects of equality, as laid down in the Equality Act (2010). This will include, but not necessarily be limited to: race; gender; sexual orientation; disability; ethnicity; religion; cultural beliefs and pregnancy/maternity. We will use an appropriate Equality Impact Assessment to monitor the impact of all our policies and the policy may be amended as a result of this assessment.
