Ark Priory
Primary Academy

welcome to easyPEASY

Help your child develop the skills they need for school and beyond!

Ark Priory
Primary Academy

What are the skills, characteristics or behaviours that you would like your child to show?

You are invited to join EasyPeasy, an award-winning app full of simple game and activity ideas to play with your child. The ideas fit easily into your daily routine, making every moment an opportunity to learn through play.

No need to download anything on your phone

Check out lots of games ideas
Watch videos and read quick tips

Play with your child
Play, practice and improve throughout the week!

Tower of Hands

Ark Priors
Primary Academy

- 1 Show your child how to build a tower of hands by putting one hand on top of another.
- 2 Together with your child make a hand tower that moves up and down.
- 3 Introduce numbers by instructing your child to build up and down by different numbers of hands.
- 4 Make the tower go higher and higher so that your child has to reach up as far as possible.

*easy*PEASY

Can you think which skills are being practised here?

I am, she is

- 1 Explain that you are going to play a game where you will think about how you compare with each other.
- 2 For each question you ask, they need to respond at the same time either '*I am*' or '*she is*'.
For example, '*who's taller?*' - '*I am*'; '*who's older?*' - '*she is*'.
- 3 If both people answer '*I am*' you have to battle it out together and decide - maybe it will be a tie-break!

This one is for playing with more than two children, or the whole family!

Parents share their tips with each other...

*My children loved this game!
We played as a whole family,
involving big brother and little sister!*

*This really helped my son
to learn how to take turns.
He now loves turn-taking!*

24/7

easypeasy

*We sat on the floor and built a
tower with our feet, by putting
them on top of each other.*

EasyPeasy will support your child to...

Find out more about
EasyPeasy's impact on over

What happens next?

- You will receive an invite link/code via email from your child's teacher later this week.
- You will then need to create an account with your name, email and mobile number.
- You will be able to access the first game from Saturday 27th March and then each week after this.
