#### **Curriculum:**

This term we are going to be exploring the topic 'Out of This World'. The children will have access to a range of exciting activities throughout the term including independent play based activities and teacher led tasks. Our topic each week will be based upon a book which links to our overall theme. This will bring stories to life for the children and allow them to develop their basic skills and knowledge to give them the important foundations needed for school life.

You can find a weekly breakdown of books and learning opportunities at: <https://arkpriory.org/teaching-and-learning/reception-and-nursery-documents>

#### **How you can help at home?**

Educating a child is most successful when families and schools work together in the best interest of the child. We will always welcome your input and assistance in educating your child. Below are some suggestions for you to do with your child.

- Complete the weekly game on Easy Peasy and leave a comment.
- Read your child's library book with them.
- Spend time together complete your child's scrapbook journal.
- Complete the weekly task that is emailed to you on Fridays.
