PE

Thursday

-Pankhurst PE

--New reading book

Fridays

-spelling test

-Children to come to
school in labelled PE kits.
-School finishes 3pm.

Curriculum:

This term we are going to be exploring the topic 'Transport and Travel'. The children will have access to a range of exciting activities throughout the term including making their own paper airplanes, buses and many other modes of transport. We will be looking at how transport has changed throughout the years and

researching inventors such as "The Wright Brothers" Our book this half term is 'Mr Gumpy's Motor Car' which links to our history topic all about transport.

How you can help at home?

Educating a child is most successful when families and schools work together in the best interest of the child. We will always welcome your input and assistance in educating your child. Below are some suggestions for you to do with your child.

- Complete the weekly Mathletics that is set online for your child
- Read your child's library book and phonics book with them.
- Look at the discovery box that was given last term and learn new vocabulary about transport with your child.
- Practice your child's spelling with them each week.
