## Year 3

### Spring Term

Welcome to the Spring Term of Year 3 at Ark Priory Primary Academy. We are looking forward to an exciting term, including our class play and trip to the British Museum. The coming term has adventure, creativity and high expectations. Our aim is for every child to continue developing their confidence, independence and love for learning. As we head into Spring, longer days and our Science lessons will bring more light into our classrooms!

#### **Curriculum:**

This term we are going to be exploring the topic 'Ancient Greece'. The children's knowledge of Ancient Greece will be deepened through the texts studied in class and a trip to the British Museum. We are studying a range of myths as well as a longer text, 'Odysseus'.

#### **How you can help at home?**

Educating a child is most successful when families and schools work together in the best interest of the child. We will always welcome your input and assistance in educating your child. Below are some suggestions for you to do with your child.

- Visit museums and places of interest.
- Point out reading and Maths opportunities in your environment eg telling time and discussing duration of time.
- Practice times tables up to 12 daily.
- Complete Mathletics and Readwriter tasks together and ask your child to explain their reasoning.
- Practice your child's spellings in preparation for the Friday test.

Children will have one snack break during morning break. The snack may be provided from home but please ensure it is fruit or vegetable – no NUTS, crisps chocolate or sugared items.
