This term we are learning about the Earth's crust and the effects of tectonic plate movement. By the end of the unit pupils will understand what causes a tsunami.

How you can support your child in year 6?

- Provide a morning break snack from home (fruit or vegetables only). This will help your child's concentration.
- Provide your child with a water bottle so that they can easily stay hydrated throughout the day.
- Ensure your child is in bed by 8.30.
- Ensure your child is on time for school.
- All pupils need to read a year 6-chapter book daily, complete the IXL and mathletics units given in the weekly newsletter.
- Make an appointment with your class teacher if you have any concerns or questions
