EASTER FAIR 2018

FRIDAY MARCH 23RD

3 P.M.

Once we're back from half term, it's time to start planning the next school fundraising event: The Easter Fair which will take place on Friday 23rd March – the last Friday of the Spring Term – in the school hall and playground. Last year it raised in excess of £1,900 and it would be great to make this one just as much of a success and fun event for the children.

The fundraising aim will be SCIENCE EQUIPMENT – to enable all pupils to do practical science in class.

We are planning on having the following stalls, so do see if there's something you can make, donate or help with – anything will be much appreciated!

- Start making for the **Artisan Ark** stall
- Donating unwanted **Second hand uniform**
- Donating Easter Eggs for **Easter Egg tombola** or helping procure them from local businesses
- Would you like to be on the **organising** committee?
- Would you like to run a **stall**?
- Can you help **set up** on the day?
- Could you run an **activity** for the kids to enjoy on the day?
- Are there any **scientists** out there who could help run a stall doing **experiments** to showcase the equipment we are buying?

Do get in touch with your class rep or email APPAA (appaacommittee@gmail.com) if there's anything you can help with or you have any suggestions. We'd love to hear from you . . .

And finally, Goodbye Ark Byron and lots of luck and happiness in your new school!
