

ARK PRIORY PRIMARY ACADEMY ASSOCIATION

Dear Parents and Carers

Spring has sprung and with it plans are leaping forward for our Priory Summer Fair. But we can't do it without you, so please get in touch if you can spare some time on the day (SATURDAY 30TH JUNE) to help with set up, on a stall or clearing up at the end. We need you in whatever way you can help. Let's make this a Summer Fair to be proud of and a great fun day for our children.

Come along to the kick-off Summer Fair Committee meeting on Thursday May 17th at 7.45pm.
Email us if you're planning on attending: appaacommitee@gmail.com.

Thank you to all of you who have committed to having an Estate Agent board outside their property. This raises invaluable funds for our school . . .

Also, a big shout out to the mums and carers who organised an impromptu ice lolly sale at school last Friday which raised a fabulous £141.61 – to go towards funding school trips and educational experiences for our children. Thank you to all the helpers and buyers!

Advertising Space

We will once again be producing a professionally printed A5 colour brochure that will be handed out to everyone attending. We will be selling advertising space and already have had an amazing response from local businesses. We only have a bit of space available so wanted to reach out to our parents/carers. If you own a local business or know someone who does, this is a great way to spread the word. Full page £75; half page £35 and quarter page £25. Email appacommittee@gmail.com to register your interest.

SCIENCE EQUIPMENT WISHLIST

Over the last few weeks, we have seen the exciting arrival of various items of science equipment in the school. A lot of it has been bought from the money raised and donated at the recent Easter Fair. However, we have also had some very kind parents who have donated various supplies. The school would like to thank Lynn West for donating the dental supplies and the Nursery Mum for the various science laboratory items. If any other parents feel there is something they wish to donate, then please get in touch with Miss Terry or Charlotte Newlands (Nursery and Year 2 mum). All the science items are hugely beneficial to all the children's learning and the staff and children are incredibly grateful to receive them.

THANK YOU!

Is APPAA reaching you?

APPAA wants to keep you updated with latest news and events. We are certain you enjoy hearing about the ways we work together to bring our school community closer, our events, and the fundraising that benefits all our children and is not possible without your help.

We hope we have the email addresses of all parents and carers – you will be receiving emails aimed at all parents from appacommittee@gmail.com

You should also be on your child's year group 'google group' used by the reps for occasional year group messages

Additionally each year group has a what's app group - used by APPAA to notify of upcoming events, by class reps for reminders and can be used by parents to ask immediate questions or notices e.g. notice of lost uniform. Used sparingly this is an effective communication tool.

There's also our new Twitter account: @APPAA_ArkPriory for the latest news and updates

If you are not receiving email communication or you are not on your year group what's app and would like to be, please contact your class reps or email appacommittee@gmail.com

There are many ways you can get involved with APPAA - helping your year group bake sale, manning a stall at one of the events - like our upcoming Summer Fair - or maybe you have your own idea? We would love to hear from you.
