NEWS

Is APPAA reaching you?

APPAA wants to keep you updated with latest news and events. We are certain you enjoy hearing about ways we work together to bring our school community closer, our event, and the fundraising that benefits all our children and is not possible without your help.

We hope we have the email addresses of all parents and carers (you would receive emails aimed at all parents from appaacommittee@gmail.com)

You should also be on your child's year group 'google group' used by the reps for occasional year group messages

Additionally each year group has a what's app group - used by APPAA to notify of upcoming events, by class reps for reminders and can be used by parents to ask immediate questions or notices e.g. notice of lost uniform. Used sparingly this is an effective communication tool.

If you are not receiving email communication or you are not on your year group what's app and would like to be, please contact your class reps or email appaacommittee@gmail.com

There are many ways you can get involved with APPAA - helping your year group bake sale, manning a stall at one of the events - like our upcoming quiz night or the fabulous Christmas Fair, or maybe you have your own idea? We would love to hear from you.

APPAA committee vacancy - Nursery PM class rep

We are still looking for a class rep or two for the nursery PM group. Could you help communicate to the class on behalf of APPAA, get to know people and gather their contact details, and help support and publicise APPAA events like the bake sales and fairs? This is the only group without representation in the whole school! Could you step forward and take this on? It is so worthwhile - you will get to know

your year group, build community and a support network for fellow parents, and you will be supporting the school at the same time. Contact the APPAA admin team on appaacommitee@gmail.com

Have you signed up to 'The Giving Machine' yet

Ark Priory is registered with 'The Giving Machine', which enables you to raise money for free for the school every time you shop on line at hundreds of retailers.

To date we have earned **£930.97** since 2014, which includes £84.46 so far this year.

Imagine what we could earn if all parents, carers and friends signed up!

What are you waiting for?

Labeling Uniform Information

It is the school's policy that ALL items of uniform MUST be named. To help with this, APPAA (the parents) have put together a list of tried and tested companies, which cater for all price ranges and labeling preferences! **Even better, the school gets cash back** from some of these companies when you order – **at no extra cost to you**. So you can support your child's school before they have even started!
