Courage to fly!

Dear Parents and Carers,

Next week is parent consultation week – as part of this we would ask all parties to have great courage. The staff will have the courage to speak to you honestly and frankly about each child's successes and challenges and we would ask you have the courage to listen and to discuss each point objectively and with maturity. We all have the same purpose – ensuring your child makes the very most of their education and we value your partnership in this. Have a great weekend Mr Martlew & staff

General

- Please make sure that you are checking uniform - if there is a child's name in the uniform please return it to the teacher if not the correct item.
- Once the children are handed over the school has no jurisdiction or responsibility for them. Please ensure you are paying attention to your child and their behaviour. We have had several near misses recently after dismissal with children nearly falling from the outside of the climbing frame, leaving via the main gates and behaving inappropriately towards other children. Please don't compromise the safety and wellbeing of your child for the sake of messages/social media on your phone.

Ark Soane Secondary Academy

There will be an Ark secondary choice for parents in Ealing. Ark submitted a free school application to the Department for Education to open a new secondary academy on the site of the current Acton College (Mill Hill Road W3), to help meet the significant need for secondary school places. The application was approved in 2015. The 1200 place school (including 300 places in the sixth form) is proposed to open in September 2019. At which time, we would admit 180 year 7 pupils each year until it reaches full capacity. Ark is now consulting on the proposal to open Ark Soane Academy as well as the proposed admissions criteria for the school - we understand Ark Byron and Ark Priory parents were at the consultation meeting last weekend. The consultation will run until 4 December 2017 <http://arksoane.org/consultations>
