Dear Parents and Carers, - What a full on end of term! As the end is nigh the pace slackens not an iota as we get closer to the end of the 15/16 year and look toward 16/17. However even as we look to the future it is important not to forget the past. The first of July 2016 is an important day in many ways. One of the most poignant is that it marks the 100th anniversary of the beginning of the battle of the Somme, one of the worst days in the national consciousness where 19,240 soldiers lost their lives on the first day alone. It is important to reflect now on how lucky we are now, even with the most recent uncertainty, to enjoy our times of relative peace and community. So please whilst enjoying the fruits of our superb academy fair spare a thought for those who gave so much so long ago. Have a fantastic weekend and we look forward to seeing you all on Saturday! Mr Martlew and the Staff ☺

Save the Children - Lukas (Seacole) and his brother Lewis (starting Reception in September) ran 2km as part of the 'Orange United' GlaxoSmithKline/ Save the Children* 'Colour me Orange' event in order to raise money for Save the Children and to help children who are less fortunate than they are. **Thank you all for your support!**

Tickets for End of Term Performances – A reminder that an email was sent to parents this week containing the link to the Eventbrite web page to allow parents to reserve tickets for the end of term performances. If you require assistance in using this online service please contact the academy office ASAP. Doors will open at 2.00 pm and the performances will start promptly at 2.15 pm. We look forward to seeing many of you there. There will be the opportunity to take your child home directly after the show. The system seems to have worked well and we are hoping to use this again in the future.

Whole Academy Photograph – A reminder that the whole school photograph will be taken on the morning of Monday 4th July. Fingers crossed the weather is fine on the day. Please ensure your child is wearing full academy uniform.

After School Club Provider – Many thanks to all the parents who have indicated they have an interest in our new after school club run by, Aktiva who will offer childcare up to 6.00 pm Monday to Thursday and until 5.00 pm each Friday. We have received a very positive response and anticipate that this will run from Tuesday 1st November, straight after the half term break in the Autumn Term. Several parents have also sent in suggestions for clubs they would like to see in the new academic year and this has certainly been very useful to Mrs Martin who is currently endeavouring to produce a varied club timetable.

Phonics - A huge congratulations to all of the children who took the phonics screening. We got 100% pass mark (for the second year running) which is a credit to everyone.

School Garden - As some parents may have gathered from recent home learning, we are currently in the process of designing and overhauling our school garden. Our aim is to increase biodiversity on the school grounds and make the garden more child friendly so it can be fully utilised as an educational tool. There are sure to be some parents who are keen gardeners, so if you have any materials or plants you would like to donate, or free time to lend a helping hand, please let Miss Bancroft (Y2) know on the following email: i.bancroft@arkprioryprimary.org

Outdoor Mural & Clock Art Project – A huge thank you from the Academy to APPAA who have organised for an Art Week with Kite Studios which has been fully funded by parent donations. The children will be producing two large art pieces for the playground, an outdoor mural and a clock. The theme will build on the previous work done related to the values of the school i.e. Exploration, Endeavour and Excellence. We are sure that you have all admired the indoor artwork our pupils produced previously with Kite Studios which is displayed around the Academy. The theme for this new project will be a landscape focusing on 3 aspects: under the sea, land and mountains and sky. The Art Project will take place week commencing 4th July. This artwork will be enjoyed by our pupils, parents, staff and visitors and we believe is a wonderful way for parental donations to make a huge impact on the life within our academy. A special thank you to the parent who has made an anonymous donation of £3000 towards this project – truly amazing.

Library Donations It would be fantastic if we could have picture books donations (in good condition is no rips or scribbles) and easy chapter books. Good examples of these would be The Gruffalo/ Room on the Broom). Please could these get handed to the office.

Library We are planning on overhauling the look of the library and turning it into a reading forest. If any parents are able to help with making this idea become a reality, please email/ speak to Mrs Harper.
