Courage to
fly!

Dear Parents and Carers,

Air Quality Review Feedback – Audit Dec 12th

Children from both Byron and Priory took place in a workshop in which they discussed air pollution generally and how this could be reduced. The children were very aware and showed a keen interest in taking personal responsibility and educating others, both children and adults.

Of particular note and of some concern was the relatively high number of parents who choose to travel by car to school when they live within easy walking distance. What parents need to be aware of is that driving for a short distance with a cold engine produces more air pollution, even for those travelling inside the car!

Furthermore, the number of parents who leave their car engines running whilst dropping off was of concern.

Have a great weekend – Mr Martlew & Staff

ATTENDANCE AWARD:

SAVED FOR NEXT WEEK ☺

PUNCTUALITY AWARD:

SAVED FOR NEXT WEEK ☺

PHOTO OF THE WEEK

Year 3 had a great Roman day, presenting all their amazing projects and experiencing the day as a Roman child and legionary

Topics

Nursery

Zoom Rocket Zoom. We are going to be creating our own rockets
