Courage to
fly!

Dear Parents and Carers,

The children were amazed and fascinated by the arrival of the MOOOOOOOOOOON at Ark Priory. Well, a very small part of it, thanks to Miss Terry's exploration and industrious research we were lucky enough to host a piece of moon rock collected on the Apollo missions. This was a unique and enthralling opportunity for the children who loved every second.

Have a lovely weekend best wishes Mr Martlew and staff ☺

Congratulations

Genevieve competed in the Heathrow Gymnastics Club Championships last Friday evening in her first ever Gymnastics Competition and came first in her age group. Heathrow is one of the most successful British clubs and the UK's only British Olympic Association Accredited Gymnastics Training Facility. This is a huge achievement as she was the youngest amongst 54 girls.
