Courage to
fly!

Dear Parents and Carers,

Parents of Nursery, Reception, Year 1 and Year 6 pupils will receive a letter later this afternoon about reopening from June 1st. We are looking forward to welcoming some of our pupils back and will continue to provide home learning for those not.

I would like to give a shout out to our wonderful chef, Miss Louise. She has been supporting her community and has been busy baking as a volunteer. Last week, she baked hundreds of cupcakes for the elderly to celebrate VE day. What a great way to show our school values! Please send any messages or photos that I could share to show how you are showing our school values at home to d.grasso@arkprioryprimary.org.

I hope you enjoy the wonderful sunshine this weekend.
Many thanks for your continued support

Miss Grasso

'Thank a teacher' day

Thank you to all the families who sent a message of thanks to their teacher on Wednesday for national 'Thank a teacher' day. Here are some examples of the great effort some of our pupils made to thank their teacher.

Support in other languages

We are aware that our Ark Priory community is made up of families from all around the world and we have over 30 different spoken languages in school. The BBC have made videos about the coronavirus in some different languages. We thought it might be useful for some of our families to have access to this support. Please click on the link below:

Bo turns 10!

This week was Bo's birthday. She is now a decade old (70 in doggy years) and she asked me to say to all of the Priory children that she is missing your cuddles at the school gate and she misses reading with you all on Thursdays.

For those who don't know, Bo, who is Genevieve and Jack's dog, comes into school on Thursdays to read with some children. They love the time they spend with her as it really helps them to feel happy and confident.

Sending big hugs and a sloppy lick from Bo the Magic Dog.
