Courage to
fly!

Dear Parents and Carers,

Massive congratulations to the amazing effort that the children put forward at today's STEM fair. All 145 entries were truly worthy of any future STEM professional! Huge thanks as well to Miss Terry who has pioneered the STEM provision at Priory and made today possible, huge whoosh to her for excelling.

Have a great weekend Mr Martlew and the Staff

Linford Christie Stadium, White City, W12 0HU

9 am - 1pm

Unless you have booked with us **YOU** are responsible for transport to and from the venue. After the event you can either bring your child back to school OR take them home. If they have a sibling in reception or nursery feel free to take them to sports day with you - but let us know FIRST!

Children have been told their house colours - if you need clarification please ask the class teacher.

The children will require a packed lunch - don't worry the day will be refunded if you have already paid! PLEASE no nuts or sesame as we have children who are VIOLENTLY allergic and although we are right behind A&E I would rather not use this facility.

The weather forecast is HOT we will be providing ample water and a fruit based snack but please make sure if children need a hat they have one and they have plenty of sun cream on.
