Appeals

Frame it!

The academy is appealing for unwanted picture frames of all shapes, sizes and styles to use in a new art project in the school. All donations are welcome via the academy office.

5 Minute Hero

The academy is trying to provide more role models for children to spend some time interacting with. As such if you have an achievement you are proud of – professional or personal that you think would be appropriate for a 5 min presentation and a quick Q&A we would love to hear from you. We would be especially keen to hear from professionals who would be happy to talk through their pathways at school and university to reach their differing qualifications.
