Book of the week: 'Whatever Next!'

Next week is half term. Children return to nursery on Monday 1st June. Can you ensure that your child completes their phonics home learning and they make something for our space station role play area. Thank you!

Dear Parents,

This week in Literacy, we recapped the story 'Mad about Minibeasts!' and looked at rhymes and made a 'rhyming soup' putting rhyming pairs in it.

The children were learning about how the minibeasts move and pretended to be them. In Maths we were adding minibeasts and practiced telling the o'clock times.

We were printing hexagons with potatoes to make a honeycomb and drew bees around it. During our circle time we discussed our likes and dislikes about the different creepy crawlies.

"I like spiders because they turn into Spiderman'."

"I don't like slugs because they eat my mum's plants."

We were busy using lots of recycled materials and our imagination creating minibeasts. On Thursday the children made a delicious honey cake☺.

Have a lovely half term!
