**Tuesday 21<sup>st</sup> July- Last day of term, no PM Nursery on that day!**

Dear Parents,

It was a very busy last full week. Our End of Year performance was a huge success! Well done Nursery, you were brilliant!! We are all very proud of you! In Literacy, we read the book 'Sharing a Shell' and discussed being nice to each other and share all the time.

We looked at pictures of the beach and talked about what we can see and do at the seaside.

We have also talked about the summer holidays and how to look after ourselves when out and about.

The children were creating pictures by rubbing shells and ordering them by size.

Please ensure your child completes the home learning given out today, so they do not regress from their level of development now. Please feel free to build upon the activities and teach them new things.

Also, the Home Learning Journals should be completed with all the exciting and fun staff children do during the summer.

Thank you for all you support this school year, it is much appreciated! Have a lovely summer holidays!
