Courage to fly!

## Nursery Edition

Dear Parents and Carers,

This week we read the story 'Whatever Next! We wrote a list of things we would like to take with us on a trip to the Moon, focusing on the initial sounds in words. The children learnt about space travel and how would it feel visiting the moon in their rockets.

In Maths we were finding the number that is one more and estimated and counted the number of stars.

The children explored our Space Station-thank you very much for all the lovely models. The children were eager to share their work with the others! In PE we practiced throwing and catching the ball.

We hope you all have a nice weekend! Nursery Team

**Our Topic for the second half of the Summer term is: Expeditions**  
**Book of the week: 'How to Catch a Star'**

**Wednesday 15<sup>th</sup> June-Transition Day**  
**Children who are joining our Reception classes in September are asked to come in the hall at 9.15am with their parents.**
