Dear Parents,

This week in Literacy, we read the story 'The Enormous Turnip'.

We sequenced and acted out the story and discussed ways in which we can help each other. The children have used different vegetables for printing and also made vegetable soup. Earlier this week we created cherry blossom pictures for our display in the classroom.

In Maths we were weighing vegetables using the scales and learning about the concept of heavy and light. We were also working on our fine motor skills by threading pasta and practising writing our names.

Thank you to Rupert's mummy for coming in and helping with our role play area. Also a big thank you for all the lovely donations for our Garden Centre area, it looks amazing.

Have a nice weekend!
